

Mahdy Alraie

Mahdy cycled from London to Cambridge, raising funds and awareness of refugees.

Mahdy works as a senior quantitative analyst at a social enterprise that helps people and places to thrive. He has supported Syrian refugees in different stages of their journey to safety.

In Syria, Mahdy helped in responding to the massive displacement due to the ongoing conflict, providing social and legal services at the Danish Refugee Council. He has also worked at the Macedonian-Serbian border in civil protection and emergency humanitarian response
